LUMALEE!

Luigi! Lumalee! Are you two hurt?

LUIGI: We’re fine! But where’s Toad?
PEACH: He’s taking care of a special threat!

What's going on down there?

Oh? This just got interesting.

My name is Toad Kinopio.

And I'm going to be a Royal Guard. Remember me well, Koopa.

Ah! We're losing to two princesses and a Luma!
Why aren't we helping?!

I'd like to get him back on a more personal level...

Aaww, Koops, you GOTTA lemme be the one to do this part, pleeeaaaase?

KT: I'm waiting for the right moment...
LL: Over there! I sense a useful Power Up!

I hope it's a flower of some sort...
